Oaks: 3-5 years Pre School

*'Great things come from
small beginnings'*

A fun, homely environment has been created within our pre school, as we believe children learn best when **happy, confident** and fully engaged in an activity. Staff focus on ensuring every, individual child is **achieving** to the best of their ability, within each area of the curriculum. Helping children to **build independence** and **social skills**, ready for school life.

Library Bus

Once a month the children will walk to the local Library Bus. This is an enjoyable, sociable experience for the children, where the Pre School have the opportunity to borrow a book of their choice and take it home in their book bag, to share with family and friends.

The children receive a 'Passport' which they can get stamped each visit. Each time they gain six stamps, the children receive a certificate from the driver!

Jolly Phonics

An enjoyable way to deliver letter sounds. A selection of rhymes, games, songs and actions!

Early years letter formation techniques

are used to prepare children for the next stage of development

Multi Skills PE lessons

Are carried out by our FA qualified and experienced teacher, as part of the Pre Schools weekly routine. The benefits of regular exercise are vitally important for your child's health and development, and by introducing it into a child's routine at a young age, we believe it will have a positive effect within all aspects of development.
